NEW BRAUNFELS
**Community
Foundation**

Passions made permanent.

What is a Community Foundation?

We are a fully tax-exempt 501(c)(3) organization.

We work with Donors, families, and organizations to set up endowment funds. These funds are designed, according to Donor's wishes, to support the causes that matter most to them.

*Do you have a
philanthropic
passion, but are
unsure the best
way to accomplish
your goals?*

We have solutions!

Why work with the Community Foundation?

- We are a local organization with deep roots in the community.
- We provide highly personalized service tailored to each individual's charitable interests.
- We accept a wide variety of assets and can facilitate even the most complex forms of giving.
- We offer maximum tax advantages under state and federal law.
- We partner with professional advisors to create highly effective approaches to charitable giving.
- We are stronger when we work together: A Community Foundation's purpose is to encourage generosity and philanthropy. When you start a fund at the Community Foundation, you are supporting your favorite charities, but you are also supporting the New Braunfels Community Foundation. That support will allow us to give back to the community forever.

Fund Types

Donor Advised Fund

With a DAF, Donors consolidate all of their charitable giving into one invested vehicle. Donors can recommend grants at any time to a 501(c)(3) public charity. This type of fund is useful for Donors who want to be personally involved in their giving. The "Advisor" role can be passed down to family members as well.

Scholarship Fund

A scholarship fund lets Donors help deserving students further their education. They can designate any level of education from preschool to postgraduate work, as well as any field of study and eligibility requirements.

Designated Fund

Donors can name one or more specific organizations to benefit from the Fund. The Fund provides perpetual support to the organization(s) that they choose.

Field of Interest Fund

A field-of-interest fund gives Donors the opportunity to target their contribution to one or more fields of interest that they care most about. These funds are broad in scope, yet targeted so as to meet the needs of the region.
